# ARCHITECTURAL HARDWARE BECKER A WORK IN PROGRESS

Be ready to experience excellence. When aesthetics meet the skill, the results come glorious.

As they say, Becker is more than a company. It is a vision and a quest for excellence. Becker Architectural Hardware has redefined the range of kitchen accessories and enhanced the art of cooking. They provide all solutions for modular kitchen storage spaces. Also, providing a whole new range of kitchen accessories and acing it.

Our vision and focus is to provide a broad platform of architectural elements that both inspire and provide comprehensive design and application solutions. Our Indian culture of progressive contemporary design is conveyed through our products in a manner that blends design with function, creativity with solutions. Frost embraces the concept that Form is nothing without Function. Emphasis has been also placed on material, quality and service.

This exquisite range will urge you to spend some extra time in your kitchen. It gives a whole new artful definition to your kitchen.

## **THE STORY IS BEING TOLD AND YOU ARE PART OF IT**

Our primary mission is our customer's satisfaction with flaw-free quality control, prompt delivery and professional services which make people understand that our company is a Work In Progress that we attribute to the ongoing dialogue with architects throughout our network that have been embraced as a part of our company's culture.

WE MAKE  
DESIGN  
**THAT**  
WORKS

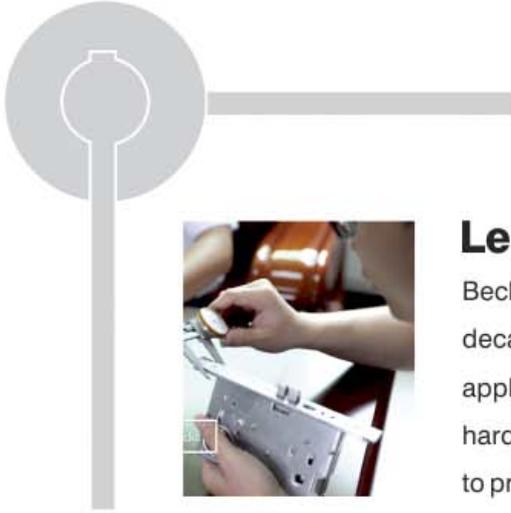

**BECKER**  
GERMANY

Our designers think about you. Not themselves. So our designs look great, but most importantly they also work well in your everyday life. We combine the Danish design legacy, many years of production experience and our in-depth knowledge of urban lifestyle to bring you innovative designs that are high on quality and functionality.

## Leading-edge hardware

Becker is providing the quality décor and excellent architectural hardware for over a decade now. Our exquisite hardware solutions cover residential and commercial applications along with modular kitchen solutions. We provide a versatile range of hardware for doors and applications from handles to hinges and much more. The aim is to provide best quality with satisfactory results.

## An earnest for a well-design

Hardware is the jewel for the interior and we craft artworks to refresh and create attractive spaces in rooms, kitchens, bathrooms and the overall homes with commercial styling. A touch of finishing elevates your interior look and helps it look modern as well as well designed. From selecting the right kind of door handle to a suitable drawer puller contributes in making the design overall cohesive. Our smart, design-savvy hardware range allows you to create harmonious living that reflects the flair of your style.

## Sharing the Stringent Security Solutions

Becker architectural hardware provides best security with exquisite design options to safeguard the applications and area. The alluring elegance of simplicity and meticulous details make the product classic and authentic. All of our products are subjected to rigorous endurance testing enabling us to guarantee both perfect functioning and long service. Our cutting-edge technology with exemplary customer communication and satisfaction provide the best quality and finest details for utmost safety.

## Mission

To provide the exclusive interior hardware systems that gives customer the feeling of a royal and quality product purchase.

## Vision

Combining the innovative technology, modern approach to design and superior quality to give the sense of completeness.

DrawerPullers

# DRAWER PULLERS

A drawer is always difficult to use without an exquisite drawer puller to it. These pullers add elegance as well as function and ease to your drawers. Hence, it is right to say "form is nothing without function".
